

Explore the world with Zeke!

Join the animals of *The Caravan* on the adventure of a lifetime! Characters like Raj and Sindi band together to introduce children to different aspects of Asian cultures and develop their understanding of God's people. A window into Asia, each character represents a believer from various countries and religious backgrounds. Let Bangles and Everest be your guide to helping children love and pray for the peoples of Asia.

The Caravan adventures are the centerpiece to connecting children with missions. In each story, the characters work together as they encounter an obstacle in another culture.

They learn to turn to God in prayer and love each other in spite of their differences. The stories are designed for Preschool, Grades 1-4 or Grades 5 and 6 and can be used in a classroom setting or for children to read themselves.

The Caravan is an engaging supplement to your children's curriculum and materials. Simply go to CaravanFriends.org and download stories, games, activities and more!
