

Telling your testimony!

Do you know anyone who doesn't know Jesus? The best way to tell them about Jesus might be to tell them your story, just like Bangles. You can tell them

- 1) What you were like before you became Jesus' follower**
- 2) How you began following Him**
- 3) How He has changed your life**

If you want to tell your story but are nervous about it, practice telling your story to your mom and dad or maybe your Sunday school teacher or your friends. They can help you so that you can then go and tell it to other people.

Remember, if Bangles' friend hadn't told Bangles her testimony, Bangles may have never heard about or believed in Jesus. You might be able to introduce someone to Jesus, just like Bangles' friend!
