

South Asian Language

Hindi Script Code Breaker

One of the major languages spoken in the South Asian country of India is Hindi. Not only does Hindi sound different from English, but it also looks different when it is written. Hindi uses a completely different alphabet that may just look like decoration if you don't know what it means. Use the key below to decode the special message written with the Hindi alphabet to learn more about India.

अ = A	ब = B	क = C or K	ढ = D
ई = E	फ़ = F	ग = G	ह = H
इ = I	ज = J	ल = L	म = M
न = N	ओ = O	प = P	र = R
स = S or C	ठ = T	ऊ = U	व = V or W
य = Y	ज़ = Z	च = CH	द = TH
