

Sharing Activity

Group Activity for Preschoolers

Supplies needed:

- 1 Large loaf of French Bread

Preparation:

Purchase one large loaf of French Bread

Activity:

Children learn to show God's love to others by sharing. Take one loaf of French bread and divide into two halves. Give two children one piece each. Ask them to divide their portion in half and give those halves to two children. Continue dividing until everyone has a turn to divide the bread. When everyone has a turn to divide the bread into two, half of the children should be holding two pieces of bread. Those children should give one piece to another child. Each child should then have one portion of the bread. Children can then eat the bread or you can discard and provide another snack.

Tell children that because they shared the bread everyone got a piece. Tell them that when we share we show others that we love them and that makes God happy.
