

God's Love Activity

Grades 5-6

Supplies needed:

- Paper lunch sacks
- Copies of the fish cutouts
- Scissors
- Markers or Pencils.

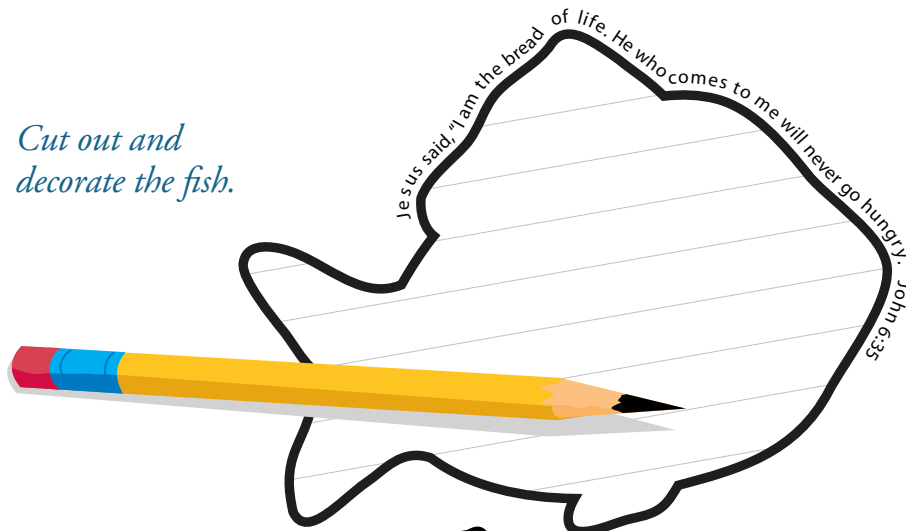

Preparation:

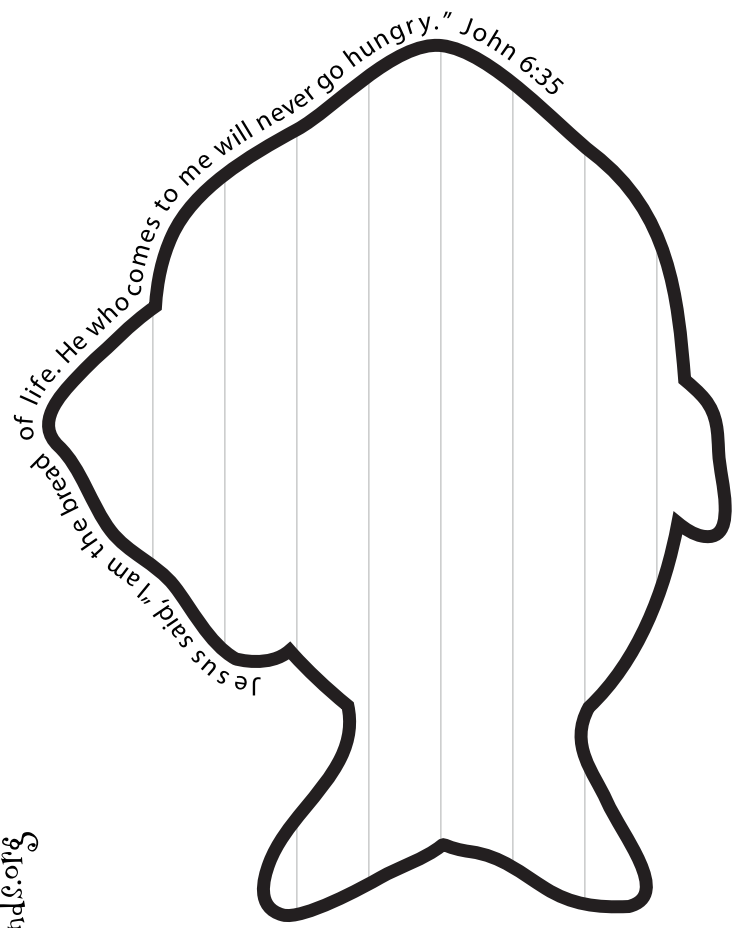

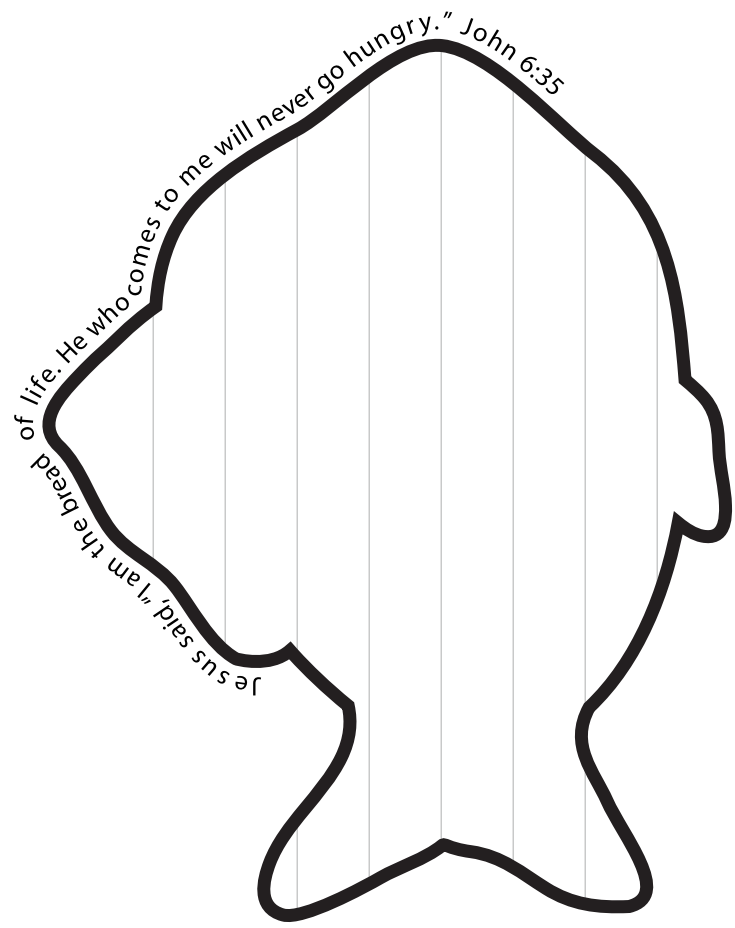

Make copies of the fish worksheets attached. Either cut each fish out or allow students to cut them out.

Activity:

Give each student a paper lunch sack. Students cut out and decorate the fish. On each fish, ask them to write one way to show God's love to someone else. Tell students to fill their lunch bag with fish and see how many ways they can show someone else God's love.
